REMARKS :

- The rate is in USD and already includes Brazilian taxes (ISS).
- The rate is basis SSHINC and lump sum (in + out, for any number of tugs used).
- At Alumar the tariff is per tug per maneuver
- For shifting please consider 25% discount on the above rates.
- The rate is considering direct billing only.
- Rate does not apply to other manoeuvres such as standby, towing and assistance to vessels presenting engine failures and/or damages. For further manoeuvres, please contact us.
- Towage services acc to UK standard conditions Rev 1986
- Payment Terms: 20 days after the vessel's sailing against the invoice which will be received from this office.
- The rate is strictly P&C and should not be released to any third party
