GENERAL REMARKS:

- All Tariffs are PER ONE BERTHING + ONE UN-BERTHING MANEUVER, SSHINC;
- Rates in USD (American Dollar);
- * In Madre de Deus, rates are in BRL (Brazilian Reais);
- ISS Tax already included in the above rates;
- Payment to be effected within 20 days;
- Payment to be effected abroad at TUG OWNER Bank Account to be indicated on the invoices;
- For direct shifting, please consider a 25% discount on the rates of a complete maneuver (unberthing and re-berthing);
- Tariff does not include eventual towing assistance due to engine failure and/or damages;
- For Turning Maneuvers at anchorage areas at Rio Grande, Porto Alegre and Paranaguá the rate to be applied is per tug / per maneuver and corresponds to 25% of the lumpsum commercial quay rates of those ports per DWT range;
- In Vitória: Tariffs covering Vitória, Vila Velha, Tubarão and Praia Mole. Except Portocel and Regencia. Rates not valid for Vitória & Capuaba, in case of vessels with over 10,67m draft;
- Values for Ponta de UBU are based on SAMARCO's tariff, any alteration will be immediately implemented;
- Above rates are based on Sulnorte's current tug fleet at the respective ports. Case any change, by port/maritime authorities, on requirements and rules in terms of use of towage, new values can be negotiated;
- Madre de Deus Terminal is not covered by any rates of Bahia State Terminals;
- In Paraguaçu - Salvador - please consider for mob + demob USD 7,500 per maneuver
- Proposal in conformity with internal requirements;
- Services rendered as per the UK Standard Conditions for Towage (Revised 1986).
- This tariff table may change without pre-notice. We recommend that all ships should be quoted via email so that we can commit to the cost of service. Any amount passed on to the customer without confirmation by email from Sulnorte will be the full responsibility of the agency.
